FALL 2023

EACCA Programs

Our volunteers/coaches/instructors have worked hard this summer with many groups to offer a balanced set of programs for this fall.

Our board does require new volunteers for the upcoming year. Without new members of the community volunteering, we anticipate cancelling programs for the winter and spring sports registrations as we do not have enough volunteers. As a member, we know that you enjoy our programming. To keep the same level of programming as in the past, please consider volunteering with the EACCA.

The Quinn Stevenson Memorial Athletic and Spirit Trust is dedicated to the life and legacy of Quinn Stevenson. Quinn was an active member of our community, attending both Dr. John G. Egnatoff and Centennial Collegiate Schools. The Trust allows Quinn's memory to be kept alive by giving back to the local schools and community. Each year, the trust organizes several events including, but not exclusive to, a youth baseball tournament and golf tournament. This Trust gives back to the local schools and community through awards, scholarships and contributions to community groups like the EACCA.

We are your vibrant local school that serves the communities of Erindale, Arbor Creek, and a portion of Brighton. We offer kindergarten to grade 8 in addition to a gifted program (by invitation only) for students in grades 5-8 who reside in north east Saskatoon. In addition we have an excellent pre-school for both 3 and year old children that is run by a board of parent volunteers. Our school is thriving with approximately 700 happy, engaged students calling Egnatoff their school. Egnatoff School is also a busy place in the evenings with community programs for youth and adults. We are happy to be the heart of this amazing community.

At Saskatoon Public Schools, safety is our number 1 priority. We continually strive to do more for our students and their families in order to ensure they are safe both inside and outside of our schools. We know safety is a top concern for our families so we want to ensure we are spreading the word about how drivers can help keep our students safe near schools. **Elementary school zones are now active from 7:00 a.m. to 7:00 p.m., EVERY day, all year long. The speed limit is 30 kms/hr and U-turns are prohibited.** In order to keep our students safe we appreciate seeing motorists respecting school zones. We will continue to have staff assisting at the two main crosswalks before and after school to help our students and families cross safely. Designated parking zones are marked accordingly. Thank you for complying with the rules so we can ensure our 700 students make it safely to school and home again. We appreciate the open communication and support we have with families and community members as we undertake the important task of preparing our youth for all that the future holds for them.
We are truly excited for what the 2023 - 2024 school year holds. Please call or email with any questions or wonders you may have.

Summer adventures and family time kept us all busy and now it is time once again to begin our new school year. 2023-2024 is sure to be our best yet! Welcome to all returning families and special welcome to our new Father Robinson School Community members. We welcomed many students last year for our new French Immersion program and we are excited to offer K-5 French Immersion this school year. Students in Erindale are in walking distance to the school. Students in parts of Brighton and all of Arbor Creek are bused here for English. Students in Willowgrove, Forest Grove, Sutherland and Arbor Creek are bused for French. We believe that our Catholic Schools assist children in growing academically, emotionally and spiritually and at Father Robinson we work hard daily to ensure all students grow to the best of their ability in all areas. Band instruction is offered in the middle years and all students have access to regular Physical Education. There are many activities offered throughout the year including; Chess Club, Walking Club, Volleyball, Basketball, Indoor Track, Rosary Club, Student Leadership to name a few. Dear Community Members,

I hope this message finds you all in good health and high spirits as we embark on the beginning of another school year. Whether you are in elementary, high school, or pursuing higher education, this journey is filled with opportunities and excitement.

Together, parents, teachers, support staff along with our ambitious community associations, we continue to see collaboration in our community that fosters knowledge, resilience, and passion to inspire growth, learning, and connection.

I want to take a moment to express my heartfelt gratitude to all the dedicated volunteers with the Erindale Arbor Creek Community Association who make our community a better place. Each year I am amazed by the programming and activities organized by EACCA. Our community thrives because of the hard work and selfless dedication of individuals like you. Your countless hours of volunteering, whether it's organizing events, supporting local initiatives, or helping those in need, are the backbone of our vibrant community in our constituency of Saskatoon Willowgrove.

Representing your needs and concerns at the legislative level has been, and will always be, my top priority. I am committed to working tirelessly to ensure that your voices are heard and that the policies we enact reflect the values and aspirations of our community.

These pillars are the foundation of a thriving society, and I will continue to advocate for policies that prioritize the well-being of our families, the quality of our education system, and access to healthcare for all.

As this new school year commences, I wish each and every one of you a fantastic year filled with growth, learning, and success. Let's continue to support one another, strengthen our community bonds, and work together to build a brighter future for all.

It is my privilege to serve as your Member of the Legislative Assembly. Please consider this message as your invitation to stay in touch.
