WINTER 2025

Quinn Stevenson Memorial Rink is Now Open!

Family/Public Skate times:

Mondays and Wednesdays, 4pm-6pm
Saturdays 10am-12pm.

Rink Rules:

- Have fun and be respectful.
- **No sticks during family/public skating times or learn to skate programs.**
-Respect the rink skating schedule as posted.
- Spend a few minutes scraping the ice.
- Shovel snow OVER the boards. When shoveled snow is left against the boards, it turns ice solid and the volunteer crew is getting too old to shovel hard now.
- Always leave the place cleaner than you found it. Don't leave garbage and if you see some, please pick it up. There are garbage cans outside and inside the warm-up rink.
- Children and inexperienced skaters should use an approved helmet while on the ice to prevent injuries.
- Do not use the rink during unusually warm weather.
- Stay off the ice surface while it's being resurfaced.

Parents, please share these rules with your kids if they frequent the ice as few follow our Facebook page. Thank you!

In This Issue

Program Registration 2
Principal Points 5-6
EACCA Board 9

Winter Program Registration Runs January 2-6th
See Page 2 for Details

Happy New Year From the EACCA Board Members

VOLUNTEER WITH US

Our EACCA board is an energetic group of community members. We organize events and activities with the goal of making Erindale & Arbor Creek the BEST place to live in Saskatoon. If you want to make a difference in your community, consider volunteering with us.

Positions currently open:

- **President**
- **Vice President**
- **Website Coordinator**

Help guide the direction of your community association. Without a full board, it will be difficult for the EACCA to provide a full schedule of programming.

Please register online at www.erindalearborcreek.org

An annual membership fee of $15.00/household is required to participate in programs.
A membership is purchased at the same time as registration. EACCA honours other community association memberships.

- Space in some programs is limited and is subject to change and registration is taken on a first-come, first-served basis.
- Early registrations are not accepted and late registrations (if accepted) are subject to a late registration fee.
- Please watch our Facebook and Instagram pages for announcements on registration for your favourite activities.
- The EACCA reserves the right to cancel any program which does not have sufficient enrolment or if an instructor cannot be found or if there is an insufficient number of coaches.
- Classes may be subject to cancellation as the schools have first priority for the use of the school facilities. Attempts to reschedule will be made but are not guaranteed.
- Certain programs have specific policies regarding registrations, withdrawals and refunds. Please refer to that material on our website at www.erindalearborcreek.org.

Soccer Registration

Spring soccer registration will run from February 1st - March 14th, 2025
Please Follow our Facebook Page for Updates and Registration Info

The Quinn Stevenson Memorial Athletic and Spirit Trust is dedicated to the life and legacy of Quinn Stevenson. Quinn was an active member of our community, attending both Dr. John G. Egnatoff and Centennial Collegiate Schools. The Trust allows Quinn's memory to be kept alive by giving back to the local schools and community. Each year, the trust organizes several events including, but not exclusive to, a youth baseball tournament and golf tournament. This Trust gives back to the local schools and community through awards, scholarships and contributions to community groups like the EACCA.

Quinn Stevenson Batting Cages and Outdoor Rink

Thanks to all the volunteers who have helped with the projects and continue to give of their time.

We are incredibly proud of these projects and this area.

Please respect this area and keep it safe and clean for the community to enjoy

Superintendent – Mrs. Nicola Bishop Yong

As we approach the holiday season, I want to take a moment to express my deepest gratitude for the unwavering support and dedication of our community. This year has been one of growth and success, and none of it would have been possible without the collaboration of our students, parents, staff, and community members.

As we continue to grow with a student population of 760 students, we appreciate all the support we have received. You will begin to see work just after the holidays as we add three additional relocatable classrooms on the east side of the school which should be complete by mid-March. As a school we are looking forward to these additional classrooms to alleviate some pressure on our school as we are currently using our library as a classroom.

We will be hosting our Kindergarten Open House January 30th at 6:00-7:00 and will accept registrations after that event. Children who will be 5 years old by December 31st, 2025, can start Kindergarten in the fall at Dr. John G. Egnatoff School. If you have any questions at all, please do not hesitate to contact the school at 306- 683-7190.

I would like to once again say thank you to our community association for your work to help provide opportunities for our students and families both within our school with community activities as well as in our neighborhood. Our students have been loving the cold weather and the use of the outdoor rink for skating, shinny and broomball.

As we enter the new year, I encourage everyone to take time to rest, recharge, and enjoy precious moments with loved ones. I look forward to continuing our journey together in 2025, working hand in hand to create an even brighter future for our students and our community.

On behalf of all the staff at Dr. John G. Egnatoff School, have a safe and happy holiday season.

Take care,
Kendall Pierce

PRINCIPAL POINTS FROM FATHER ROBINSON SCHOOL

Welcome back to another school year. The 2024-2025 school year is ready to go as we welcome our families on September 3rd. Father Robinson is a faith-based, welcoming learning environment that focuses to support students in all aspects of development: intellectually, socially, emotionally, physically and spiritually. This year we offer English programming from grades K through to Grade 8, and French Immersion from Kindergarten through to grade 6. We serve students from many communities including Erindale, Brighton, Willowgrove, Forest Grove, Sutherland and Arbor Creek; please check First Student to locate transportation support in your area.

Father Robinson offers many opportunities for students to thrive and be engaged in their school. We offer band in grades 6 to 8; extra-curricular activities including volleyball, basketball, track and field, chess club, and rosary club to name a few.Students are encouraged to be leaders and make our community the best that it can be through care-partners, house-leagues, involvement in clubs and student leadership events.

As a new member of the Father Robinson community, I am excited about the year ahead. For more information about our school, please check out our website at Father Robinson School where details regarding supply lists, school day times and calendars can be found. Also, we welcome any questions at our office by calling 306-659-7200.

Looking forward to a great year!

Carol Sarich
“Be the Light That Leads Others!”

Joyful Feelings is a non-cooperative Pre-School located in Father Robinson School for 3 and 4 year old children. Doreen Kazman and Jessica Peters look forward to providing a wonderful learning experience for your child. Please contact Doreen for registration information at joyfulfeelingspreschool@gmail.com.

EVENTS FOR ALL AGES

Menstrual Health Matters

The Family Health Lab at the University of Saskatchewan is conducting a research study focused on understanding and improving menstrual pain in youth.

We are seeking youth ages 10–13, who have not yet had their period, and a parent/caregiver to participate in this important research!

Participation involves completing a series of online surveys.

Families will be compensated each time they complete a survey!

To learn more about this study or participate, use the QR code or visit:

https://familyhealthlab.com/teenperiods

You can also email us at: family.health.lab@usask.ca

This study has been approved by the University of Saskatchewan Behavioural Research Ethics Board (BEH 2777).

University of Saskatchewan | Family Health Laboratory | CIHR IRSC Canadian Institutes of Health Research / Instituts de recherche en santé du Canada

As we welcome 2025, I extend my warmest wishes for a year filled with health, happiness, and success for you and your loved ones. Reflecting on the past year, I am deeply thankful for the continued opportunity to represent and serve our incredible community. It is both an honor and a responsibility that I do not take lightly. I recognize the challenges ahead, but I remain steadfast in my commitment to working collaboratively to address our shared priorities and ensure a better future for all.

Getting involved in a community association is one of the most impactful ways individuals can contribute to a better future. Whether you have a few hours to volunteer, specific skills to share, or simply a passion for making a difference, your contribution matters. Community associations thrive on the energy, ideas, and dedication of their members, and every effort—big or small—can lead to meaningful change.

Community associations play a vital role in enhancing the quality of life in neighborhoods and cities. By working together, we can create healthier neighborhoods, stronger educational systems, and more supportive environments for families. Now is the time to step forward, lend a hand, and help build a brighter future for everyone. By fostering a sense of connection, collaboration, and shared responsibility. associations create opportunities for residents to come together, build relationships, and actively contribute to the well-being of their community. I am deeply grateful for groups such as the EACCA.

Our government has a plan for a bright future for you and your family. We will focus on the economy, education, healthcare, and highways; as well as making life more affordable for seniors, families, and young adults. As your voice in the Legislative Assembly, I will continue to work on your behalf. I have listened to you on your doorsteps and I, along with our government will work for you, the people of this great province:

- *We have passed the Saskatchewan Affordability Act, which included a long list of measures to make life more affordable, but most notably cut income taxes for every person in Saskatchewan.*
- *We are increasing access to health care, ensuring every person in Saskatchewan has access to a primary health provider by the end of 2028. We are reducing surgical wait times ... 450,000 surgeries will be performed over the next four years.*
- *We are focusing on student success, improving student reading levels for kindergarten to Grade 3 students.*
- *We are keeping Carbon Tax off home heating, saving households approximate $480 in 2025.*
- *We have increased the maximum benefit for a student with a four-year undergraduate degree from $20,000 to $24,000, helping them live, work and raise a family in Saskatchewan.*

Our community thrives because of the dedication and selflessness of our volunteers. Their contributions—whether big or small—help efforts to build stronger, more resilient communities that are equipped to face challenges and embrace opportunities for growth shape our neighborhoods. To each volunteer: thank you for your time, passion, and unwavering spirit.

As we step into 2025, let us continue to work together with kindness, resilience, and a shared vision for progress. Wishing you all a bright and fulfilling New Year!

Please consider this message an ongoing invitation to connect with me by phoning my MLA office 306.651.7100 or emailing me at ken.cheveldayoff.mla@sasktel.net
